STUDENT GOVERNMENT

Office of the Student Body President

TO: The Student Government Senate

FROM: Thieldens Elneus, Student Body President & University Trustee

DATE: 12 October 2015

SUBJECT: Veto of Senate Bill # 1516-003

Dear Senate,

Due to multiple financial concerns I have respectively vetoed Line Item "Fall Faculty Luncheon" and Line Item "Interview Training". Line item two, Fall Faculty Luncheon, was vetoed due to the monetary amount requested by BMES for the faculty luncheon. \$250.00 is a large amount for a single on-campus event and I believe that the luncheon could be attained at a better value. Line item three, Interview Training, was vetoed due to the concern that BMES is asking for \$200.00 for a service that is offered to all students for FREE from the Career Development Services.

It is imperative in the future that the Senate pays attention to these key details.

Sincerely,

A handwritten signature in black ink, appearing to read "Thieldens Elneus".
