Title: Aquila Student Research Journal

Organization: Aquila Student Research Journal

Date Introduced: October 18th, 2015

Purpose: Aquila: The FGCU Student Research Journal publishes exceptional student scholarship from all academic disciplines and levels of study at Florida Gulf Coast University. The first print issue (April 2016) was paid for with money from the different colleges. We are now asking for money from the Student Government for the print costs of the fall 2016 issue.
