Senate Bill #1718-015  
Account #:**

**Title: Voto Latino se Levanta**

**Organization: Voto Latino**

**Date Introduced: 10/31/17**

**Purpose:**

The bill will allow our organization to bring the cultural significance of Latin America to our campus. I understand that with amazing departments like MLD, and the variety of multicultural organizations, that which I speak to has already come. But, VL provides a different platform for political engagement and education. We strive to spur a dialogue centered on empowerment through civic education. We'd like to do this by hosting a 'Croquette' social hour of sorts, two for the semester; croquettes are a traditional app of Cuba and most of Latin America. Welcomed by this appetizer we'd like to sit down and discuss what's next for us, here in SWFL, how do we move forward to become stronger and more effective than ever before. So, my fellow peers, I ask you to consider funding our organization. As we strive to promote unity, education, and a *progressive* rallying call to yours and mine.

**Scope:**

Item / Description	Quantity	Unit Price	Amount
Croquette	80	1.25	100.00
Coffee	4	15.99	64.00
<b>Grand Total:</b>			<b>\$ 164.00</b>
