V. Guest Speaker

- i. Trustee Kevin Price

VI. Public Comment

VII. Reports

- i. Executive Report: President Elnes, Vice President Scanlon, Treasurer Gomes- Elnes: On September 18 2015, I called and challenged the student body for a fight song competition. We will be singing the fight song. The winners will get a pizza party hosted on their behalf. I had the pleasure to meet the international students and will be inviting them to attend senate as well. Working on figuring out a location for Eagle Radio. I need four more people to sit on the Great Appeals committee. Please let me know if you are interested. The university wide website committee are in need of a representative, and a sophomore or freshman student to sit on the 2017 twenty year committee. Scanlon- We had a cabinet meeting today and we have them every week at 5pm. FGCU day representatives have been selected. You will be getting an email soon. October 6 3:30-6pm is when we will be shooting the SG promotional video. This week started presentations or the food committee. If you have any questions please email me. Gomes- Still have the same amount around 400,000 dollars.
- ii. Judicial Report: Associate Justice Leon- Absent
- iii. Senate President Report: Connor Cahill- Thank you to all senators who came out to the SG day today. We have 8 pieces of legislation going through first reading tonight.
- iv. Senate Executive Report: Molly O'Donnell- Reminder that next week is the national hazing prevention speaker. We will be meeting in the ballroom. Please be respectful with your technology when people are speaking.
- v. Legislative Report: Chair Caperton- Because we have second reading coming up in two weeks I want to touch on the process.
- vi. Appropriations Report: Chair Castro- The budgets are due next week on Friday at noon. 3:30 CC 245 is my committee meetings. Attending the FGCU budget meeting this week.
- vii. University Outreach Report: Chair Rodriguez- Next wings up Wednesday October 21 on the Library lawn. We have a banner in the works to be put up in the Cohen Center to let people know about our senate meetings.
- viii. University Relations Report: Chair Emmer- Very pleased to announce that next Tuesday the 29 in Library 210 at 11:30 is our first deans meeting with Dr. Bear the dean of Engineering. The next deans meeting will be Dr. Gregorson, the college of Arts and sciences. Last week I attended faculty senate. I am starting to plan the faculty senate meet and greet. Had the chance to sit in the executive cabinet meeting today. Working on Eagle news to have a highlight page of each college.
- ix. University Travel Report: Chair Holt- Last Wednesday passed three bills and denied one of them. Tomorrow we will be touching more on depth the bill process.
- x. Advisor Report: Julie Gleason- We are going to be sending out a survey from the bill and budget forum. If you were there please fill out so we can get your feedback.

VIII. Second Reading

IX. First Reading

- i. BEC Club Budget Request- Sponsor Senator Gardner introduces bill. Benoit asks if organization has done any fundraising. Garder- No. O'Donnell asks about the Speaker Fees. Rodriguez asks about where the items will be stored. Gardener- We did not talk about where any of these things would be stored. Berry- The pizza quote was it an exact quote? Gardner- They have a deal with Jets so yes. Benoit asks if the polos are reusing every year. Gardner- Does not know. Berry- What are the prizes for. Gardner-Different rewards throughout the year. Buno- How often will they be tabling. Gardner_ They will use it at the market Mondays and the Lutgert events as well. Castro- How many are active in this club and will they have food every meeting. Gardner- about 40 and yes.
- ii. Computer Science Club 2015/2016 Operational Funding- Sponsor Senator Hannah introduces bill. Rodriguez- Will the programs be stored on their computers? And how many times can they be used? Hannah- They will be stored on campus computers and they will be stored in a locker on campus. Rodrigues- How many members are in this organization. Hannah- 22 Castro- Is that number official of active members and do you have attendance sheets. Hannah- yes.
- iii. Brian Alexander Memorial Resolution- Sponsor Senator Nolen introduces resolution. Gutierrez- How much is this brick. Gomes- \$150.
- iv. Photography Club Funding Request- Sponsor Chair Rodriguez introduces bill. Benoit- How will they hold their members responsible for when they check out the cameras. Rodriguez- Yields his time to the president. There will be a financial contract. Buno- What happens to the last Polaroid camera. Rodriguez- Yields time. The camera is just really old and it works but the picture is blurry. Emmer- Is it possible to fix the camera. President- It is but it would be more expensive. Gomes- How long do cameras and lenses work. Rodriguez- It all depends on how well you take care of it but usually five to ten years. Buno- How long did the last Polaroid last. President- Not sure, because it was here before I got here. O'Donnell- Will there be any amendments to this bill. Rodriguez- yes, they will amend the lenses.
- v. BMES Biomedical Engineering Society Student Chapter- Sponsor Senator Rybak introduces the bill. Benoit- Is this organization aware that they can do resume building on campus for free. Rybak- yields time to president. He said they were not aware, but are now. Holt- Can you explain what E-week is. President- All the engineers compete in a competition. Benoit- Has this organization done any fundraising? Rybak- They have not until this point. They have a go fund me account. And through eagle news they are advertising future fundraisers. CAperon- What are the exam week hand outs. Rybak- Before I yield my time this line item will more than likely be amended. President- During the final exams students pull all nighters so this is to give them some candy and energy drinks. This will be for all students who are studying in the Holmes building.
- vi. Collegiate Link Annual Contract- Sponsor Secretary Benoit introduces bill. Holt- Will the invoices be in earlier in the coming years. Benoit- Yes. Morrison- Is there no new systems we could use? Benoit- yield time to Gleason. There is but they would cost more money.
- vii. The Vine U Operational Funding- Castro introduces bill. Beckford- Do you have a ballpark number for the updated amount they will be asking for after you amend the bill? Castro- around \$8,000. Berry-Will they be handing out shirts. Castro- I am not sure because I have not been able to meet with the organization. Buno- Are you amending the cloth and chairs? Castro- When I meet with them I will look at cheaper items. Rodriguez- IF you are able to meet with them will you ask them what kind of food they will be using. Castro- yes I will. Buno-What would they be using the multimedia projector for? Castro- I am looking to cut all of that because it is available to them already.
- viii. SPIOP Graduate Student Informative Talk- Sponsor Senator Morrison introduces bill. Gutierrez- Who are the people that are on the line. Morrison- They are graduates from FGCU so they will be coming here from wherever they are from. Emmer- Are these speakers open to the public or just

for the club. Morrison- Open to the public. O'Donnell- Would this ticket be refunding him for something that was already purchased. President- No he will be losing his half of the ticket.

X. New Business

XI. Announcements: O'Donnell- Great job making it through these bills. Please remember that we need to keep it together and be professional at all times. Gomes- If I have a finance code meeting after the senate would you all attend it? Elneus- Eaglepalooza went public today so they are being sold at Germain Arena. PB is having a drive in movie at 8pm tomorrow in the Dirt lot if you are interested.
