#### **IX. First Reading**

- i. 1516-021 Global Medical Brigades Operational Bill- Hamilton introduces the bill. Emmer- What is the exact number for the increase? Hamilton- Seems to be a 300% increase. Herrera- An you describe the fees for the dr. Hamilton- Their package includes 3 days but they want to stay for fourth day. Beckford- Will there be any amendments to this bill. Hamilton- Possibly. Gallagher- How many people are actually attending these meetings? Hamilton- The organization has a check in for the organization to check in for the activities. Emmer- Have they done any fundraising? Hamilton- Yes, they have, but not as much as they would like. They plan on doing more and have tentative plans for the future. Herrera- the fees are \$100 a day per one person? Hamilton- Correct. The national office only allows three days and they are trying to make a bigger impact. Gallagher- How are they marketing their meetings? Hamilton- Eagle link, Facebook, newspaper, fliers, and pretty much anything you can think of. Gallagher- Do you know how many students are planning on going o this trip. Hamilton- I believe its about thirty as of right now. Rodriguez- What are the stethoscopes and other materials for. Hamilton-They have looked into cheaper alternatives but the alternative options are not very well made. Herrera- Can we see the attached document for the medications. Hamilton- gives her the paper. Gardner- How does the club plan to store the medication. Hamilton- It does not need to be stored because it goes straight to Nicaragua. Gardner- Will any of the patients be charged? Hamilton- No. Buno- Where in Nicaragua are you going? Hamilton yields her time. Emmer- Can you explain why the medication can not be donated. Hamilton- Legal purposes. Skidmore yields time to Scanlon- I have seen some bills for this organization and this trip is an absolute amazing experience for those that have gone. The impact they have on these people is huge. Tavel- I am from Honduras which is right by Nicaragua. This program is a great experience for the community. Hamilton- As of last week they are alsp presenting workshops to help students speak Spanish for the trip. Whittaker- I recently joined this organization and so far this club has had a high turn out. Donnelly- I am also in this organization. This organization is completely self-less. Herrera- Just to clarify I think this is a great cause and the price of the stethoscope is great for what they

are going to be doing. Gardner- I think this is a great opportunity to get FGCU's name out there. Hamilton concludes.

- ii. 1516-023 CSA Operational Bill- Buno introduces. Gardner- What is the colored powder for? Buno- Its for their Hali event. Skidmore- Have they cleared the powder with the fire marshal. Buno- I am not 100% sure but I will ask them. Holt- Are the wristbands being sold or handed out? Buno- They are promotional items. Whittaker- What is the waterfront link up? Buno- It's a social event they have. They have done it once this year ad it was very successful. Rybak- What specifically are the decorations they are asking for? Buno- It's for a Christmas event they will be having. Gardner- What specific are the decorations. And how many people went to the waterfront linkup. Buno- Not sure specific decorations. Holt- Are you going to be selling any of the t-shirts or are the promotional. Buno- They will be handed out first come first serve. Rodriguez- Have they looked into getting food getting donated. Buno- No they have not to my knowledge. They didn't have a budget from last year so that's why they are asking for this now.
- iii. 1516-024 GSA Operational Bill- O'Donnell motions to table the bill. Benoit seconds
